- Avoid using the phone while driving for your safety

CREATED TO INSPIRE A REVOLUTION

The New Baleno comes with the option of the New Generation Advanced Automatic Transmission (CVT), which helps it deliver a seamless performance

CREATED TO INSPIRE THE FUTURE

Change is the heart of innovation. It is transforming the way you look at the world. Making it bolder, advanced and efficient. The Progressive Next generation Smart Hybrid Technology is in no way different. It has an integrated starter generator with a Lithium-ion and a Lead Acid Battery that gives you an enhanced driving experience. The Torque Assist Function reduces the load on the engine and improves fuel efficiency.
